

# Psychic Selfie Exploration Session

at Dalena Watson Counseling

Circles  
to the  
Self

Get a roadmap from your inner self to heal and create a better life in an online Psychic Selfie Session today! By choosing from 39 shapes and 45 colors, you get instant results right from your inner self! Have fun and be creative to find your blocks, strengths, and next steps to more freedom, happiness and creating the life you want. In this 80-90 minute session, you instantly have a picture of your life; blind spots and blocks are revealed; feelings and behaviors become clear; and you know what to do! It is so fun and easy with expressive arts rather than hard and boring.
